

Activity Bingo! (Spring term 2)

Activity bingo is a chance to complete tasks at home that can be done in your own time and pace!

It's simple: choose a task from the boxes, when you have finished cross it off and get an adult to sign it. Only the **yellow** boxes are compulsory; **Purple** boxes will require some equipment and the **Green** boxes do not require any (both green and purple are bonus tasks). Those who finish ALL will get an end of term prize!

You could get an adult to take photos of your challenges and bring these into school. Good luck!
