

# Activity Bingo! (Summer term 2)

Activity bingo is your chance to complete tasks away from school that you can do in your own time.

It's simple: choose a task, then cross it off when you've finished and get an adult to sign it.

Try your best to complete ALL boxes that are **yellow**. **Blue** boxes may require some equipment and the **Green** boxes do not require any (both blue and green are bonus tasks). A prize will be given if you manage to finish ALL tasks.
