Outstanding
Good
Requires improvement or inadequate

- The lower quartile (LQ) reflects progress that is **below national expectations** for students with SEND.
- The median quartile (MQ) reflects progress that is **in line with national expectations** for students with SEND.
- The upper quartile (UQ) reflects progress that is **above national expectations** for students with SEND.

How is good progress judged?

If **75%+** of students are making progress across the MQ and UQ this is good.

If 72% of students are making progress across the MQ and UQ with **50%+** in the UQ this is also good.

How is outstanding progress judged?

If **90%+** of students are making progress across the MQ and UQ this is outstanding.

If 85% of students are making progress across the MQ and UQ, with **55%+** in the UQ this is also outstanding.
