### **What is the admissions procedure?**

Riverbank Academy follows the Coventry Admissions Policy for Special Schools. We do not directly admit pupils to school. Places at Riverbank are allocated by Coventry SEN Services. They allocate places based on the nearest available school to pupils whose learning needs cannot be met within a mainstream provision.

Places are usually allocated as part of the Educational Health Care Plan process.

Occasionally we are asked to take pupils on an 'Assessment Placement' before an EHCP is issued.

We welcome prospective parents and carers to come and look around the provision but you will need to work with the placement team in Coventry SEN Services to secure a place; this cannot be done directly with the school.

To organise a visit to the school please ring the school office on 024 76453121. They will take your details and we will get back to you with a visit date as soon as possible.
