Dear Parent/Carers

Over the past two years, Riverbank Academy has been working towards gaining an Autism Accreditation awarded by The National Autistic Society. Achieving this nationally recognised accreditation will highlight that we are committed as a school to understanding autism and setting the standard for outstanding autism practice.

Our formal assessment will take place over three days, Tuesday 9<sup>th</sup> July 2019 to Thursday 11<sup>th</sup> July 2019.

As part of the assessment process, the NAS carry out a survey for autistic people, their families and other professionals, who work alongside, to feedback on the provision being assessed.

We are advocates of giving parents a voice and we always value feedback from our parents and carers. Therefore, we encourage you to complete the questionnaire as fully as possible.

The following links will be published on our school website as of **Tuesday 4th June 2019** or can be emailed directly to you on request.
