Dear Parents and Carers,

I am writing to inform you that a member of our school community has been tested positive with COVID-19.

As a precaution and to ensure we maintain a safe school, we have already contacted staff and parents of students that need to self-isolate for 14 days. We have also arranged for specific areas of the school to be deep cleaned before our staff and students arrive Monday morning.

Our school is open for students on Monday 14th September 2020 and if you have any questions, please do not hesitate to contact us.

Yours sincerely,

Mr David Lisowski
