08th September 2020

Dear parents and carers,

Early next year, we are hopeful we will have a new car park with 40 more spaces for Ernesford Grange Academy and Riverbank Academy. This project is being managed by Coventry Local Authority and we will provide further updates on this during the Autumn and Spring term.

In the meantime, our student drop-off and pick-up times will continue to be busy and we ask for your support in keeping our students, staff and families safe by driving carefully in and out of our car park.

For our parents and carers that transport their child to and from school, if you would prefer an earlier pick up time between 2:30pm-3:00pm please contact Mrs Slade (dslade@riverbankacademy.org.uk) who can arrange this for you. **This would be a temporary arrangement** until the new car park has been built.

Some of our parent's and carers choose to park in the One-Stop-Shop car park opposite our school and then walk in through the gates. If this is appropriate and accessible for you and your child we would also encourage this to help reduce the traffic coming in and out of our school.

If you have any questions, please do not hesitate to contact us.

Yours sincerely,

Mr David Lisowski
