Summer Camp!

Summer 2 2022

As we approach the end of the academic year we have lots to celebrate!

This year nearly 50 students have attended a residential trip. Through these experiences student's resilience, communication and independence are developed and we often see huge steps in progress through our residential activities.

Our Summer Camp, held last week was an incredible experience for our key stage 4 and 5 students in our Explorer Curriculum. A Navigator student also attended the camp which truly celebrates our students abilities!

Our Art Gallery!

This half term, we had our students wonderful art work displayed at a Multi Academy Trust Gallery event. It was great to see so many of our families attend the event to celebrate the quality of work with us.

What a Performance!

10 of our students performed "Jack and The Bean Stalk" alongside other Coventry Special Schools at the Albany Theatre. They performed on stage in-front of 300 people! Our students spoke clearly and confidently with character and enthusiasm and we are all very proud of them!

Riverbank Leavers of 2022!

We would like to thank all our families that attended our leavers assembly this half term. It was a fantastic event that celebrated 20 students that are leaving this year. All students have plans in place to secure their positive destination for September and we are also really pleased that we have secured some very bespoke destinations for students with severe and complex needs.
